Dispose of your household hazardous waste the right way by being part of the Saturday, May 30, Household Hazardous Waste Collection event.

The HHW collection will take place between 9 a.m. and 11 a.m. at the City's old service center at Renfro and Main Street. The household chemicals will be collected by the City of Fort Worth's Crud Cruiser.

Only material from Burleson residents will be accepted, so participants are asked to bring their City water or solid waste bill as proof of residency.

For more information, call environmental services at 817-447-5410, ext. 269.
