The upgrade to the City's phone system will go live soon! All of the numbers, with the exception of the Burleson Community Center, Heritage Visitors Center, Hidden Creek Golf Course, and the Senior Activity Center, will change to a 426 prefix. These new numbers will not go into effect until late July/early August. We will notify the residents and businesses about the "live" date through the City web site, City E-Newsletter and City Facebook page.

Below, are listed the Most Wanted City Phone Numbers as well as listings for the City buildings. Also listed are numbers to reach Burleson City Council and city management. Again, these new phone numbers will not go live until late July/early August.
