

CITY OF BURLESON
BUILDING INSPECTION DEPT.

NEW RESIDENTIAL TEMPORARY GAS SERVICE

WARNING !!!!!

SIGNING OF THIS DOCUMENT DOES NOT AUTHORIZE OCCUPANCY OF STRUCTURE

To receive temporary gas service, the following stipulations must be met:

1. Temporary gas service will be for 30 days only. At the end of 30 days, if final inspection has not been requested or if inspected and did not pass inspection. Oncor or UCS will be notified to disconnect. (It is possible Oncor or UCS will have a reconnect fee).
2. A \$30.00 inspection fee must be paid prior to temporary gas inspection.
3. The gas piping system must hold an air test and all gas-fired equipment must be capable of safe operation.

The owner/applicant agrees to release the City of Burleson and its agents from any and all liability of every kind and nature for damage to persons and/or property which may occur from defective gas piping methods and/or gas-fired equipment on said premises or from failure to inspect said gas piping methods and/or gas-fired equipment and hereby agrees to indemnify the City of Burleson and its agents for and to hold the City of Burleson and its agents harmless from any and all such liability.
