

## Memorandum

To: Honorable Mayor Shetter and members of the Burleson City Council  
From: Dalan Walker, Senior Park Planner  
Date: May 4, 2009  
Subject: Adoption of City of Burleson Parks, Recreation and Trails Master Plan.

---

### **Council Action Requested:**

Staff requests that City Council adopt the City of Burleson Parks, Recreation and Trails Master Plan.

### **Background Information:**

A survey was conducted to ascertain the community's needs in Parks and Recreation. The initial results were presented by HNTB to City Council on August 2, 2007. The Master Plan was developed based on the survey data, local opportunities and constraints and national standards.

The Master Plan was presented to City Council on January 20, 2009 for discussion, and Council comments were solicited. At the March 2, 2009 Council meeting, the Master Plan was again discussed and presented to the public. All City Council and staff comments have been addressed in the plan to be presented on the 4<sup>th</sup>.

Staff's presentation includes:

- brief discussion of final changes
- action plan for policies promoted by the Master Plan
- financial summary for resources required for the Plan's implementation

### **Board/Citizen Input:**

The Park Board has reviewed the Master Plan.

### **Financial Considerations:**

There are no immediate financial considerations. The funding of projects and/or programs will be determined in future budget years.
