

Memorandum

To: Honorable Mayor Shetter and members of the Burleson City Council

From: Aaron Russell, P.E., Director of Public Works

Date: June 15, 2009

Subject: Rescind the award of the contract for the 2009 Crack Seal Program to Circle L Construction.

Council Action Requested:

Rescind the award of the 2009 Crack Seal Program contract to Circle L Construction on March 16, 2009 in the amount of \$35,000.00.

Background Information:

The Public Works Department annually performs crack sealing on both asphalt and concrete streets. The streets included in this contract were the streets associated with the micro surface and mill and overlay programs schedule for this spring/summer 2009. A copy of the Agenda Item Page (AIP) awarding the contract is attached.

Circle L Construction was not able to secure the required bid bond for this project. In-house crews were used to complete the asphalt crack sealing associated with the micro surface and mill & overlay streets in order to facilitate these projects. There was not enough time to rescind and award to the next lowest bidder given the seasonal nature of crack sealing and the fact that both the micro surface and mill & overlay contractors were waiting on their projects until the crack sealing was completed. Crack sealing has been completed, the micro surface work is 90% complete and the mill & overlay work has begun.

Board/Citizen Input:

N/A

Financial Considerations:

There is no expenditure of municipal funds associated with this item.

Memorandum

To: Honorable Mayor Shetter and members of the Burleson City Council
From: Aaron Russell, P.E., Director of Public Works
Date: March 16, 2009
Subject: Award the contract for the 2009 Crack Seal Program to Circle L Construction

Council Action Requested:

Award the annual contract for crack sealing to Circle L Construction (ITB2009-019) in the amount of \$35,000.00.

Background Information:

The Public Works Department annually performs crack sealing on both asphalt and concrete streets. The streets affected will be part of the micro surface and mill and overlay programs to be bid this spring. The Purchasing Department opened bids for ITB 2009-019 on February 23, 2009 at 2:00 p.m. at City Hall. Bid requests were sent to all vendors registered to do business with the City of Burleson for this commodity. Five (5) bids were received. Staff recommends awards based on low bid per item.

Board/Citizen Input:

N/A

Financial Considerations:

Funds are available in the General Fund, Public Works Department (Acct. # 001-4017-432-4103).
