### B. Mental Health First Aid Training for Library Staff

In partnership with the Texas State Library and Archives Commission, library staff will be completing free online training in Adult and Youth Mental Health First Aid for Texas public library workers. MHFA is an early intervention tool an adult can use to help

connect another adult or youth who may be experiencing a mental health or substance use challenge to appropriate treatments and supports.

Mental Health First Aid (MHFA) can give library workers the tools they need to provide this type of assistance to friends and family members, fellow library workers, and library patrons. Library workers will learn:

- To identify the signs and symptoms of mental illness
- A five-step action plan to help someone in need
- About the risk factors and warning signs of mental illness and drug and alcohol use
- About local professional and self-help resources

These classes feature content on trauma, addiction, and self-care, as well as the impacts of social media and bullying (in the Youth class). This training is made possible by a grant from the National Network of Libraries of Medicine and the Hill Country Mental Health and Developmental Disabilities Center.

### C. Park Updates

Installation of the new playground at Warren Park will begin Nov. 30. The existing shade structure will remain. The removal of the existing play feature is scheduled to take 3-5 days and installation will take 5-8 days. The project should be completed by the second week in December.

The event shift into a six-week virtual series hosted via Zoom Webinar, and ticket sales were lowered to \$50/participant. The series weekly series brought a wide range of topics; community, leadership, branding, optimism, teamwork, moment making, and organization.

Over 100 participants joined the series. Overall feedback from participants and speakers has been very complimentary.

Total expenses for the Project U series was \$27,678.51, and revenue (ticket sales and sponsorships) totaled \$28,300 for a profit of \$621.49
