### B. Chief Freeman receives Congressional Community Hero Award

Congressman Roger Williams presented Fire Chief K.T. Freeman with the Congressional Community Hero Award on Thursday, June 10. Mayor Fletcher and councilmembers Tamara Payne, Dan McClendon, Ronnie Johnson and Victoria Johnson joined the presentation to honor Chief Freeman for his dedicated service to the citizens of Burleson during the COVID-19 pandemic and the 2021 winter storm. The award states, "Your unwavering leadership, professionalism and commitment served our community well during unprecedented times. A grateful Burleson thanks you."

### C. Jimmy Stanford wins runoff election

Jimmy Stanford beat incumbent Katherine Reading for council place 3 during the June 5 election. Stanford collected 55.47% of the total vote and will be sworn in to office during the June 14 special city council meeting.

### D. Feel Good Friday

Texas College of Osteopathic Medicine (TCOM) students have been volunteering in every corner of Tarrant County and Johnson County to help with COVID-19 vaccinations. Many thanks to our friends with the City of Burleson Public Health Authority as TCOM students have helped the vaccination surge over the past few months, getting 35,000 people vaccinated since January. Keep up

the great work!

**E. Recreation Update: BRiCk Summer Camp**

The BRiCk Summer Camp started last week. Campers have enjoyed field trips to Urban Air and Russell Farm Art Center so far. They've also gotten to enjoy a variety of planned crafts, science projects, swim time, and gym activities. Due to an increase in demand and in order to better accommodate the needs of the community, we will be increasing our camp enrollment maximum from 65 to 80 campers beginning June 21.

**F. Wilshire Boulevard/SH174 Landscape Enhancements**

Construction of the Wilshire Boulevard/SH 174 Landscape Enhancements project is ongoing but has been slowed due to wet weather and TxDOT traffic control requirements. As a state highway, the Texas Department of Transportation operates and maintains Wilshire Boulevard/SH 174 and strictly controls when lane closures can occur based on current weather conditions, forecast weather conditions, and other factors such as national holidays. To date, approximately 20 working days have been lost due to rain, the threat of rain, or post-rain cleanup and prep for work. These traffic control issues have slowed progress by requiring the contractor to adjust activities based on being able to close lanes or wait for appropriate conditions. Given a dry forecast, all efforts will be made to expedite the remaining work.

The Notice To Proceed date was issued April 12, 2021, with 90 calendar days for construction. Contract times have been adjusted for these conditions.

**G. Claudia's Playground vandalized**

Due to vandalism that resulted in irreparable damages, both slides at Claudia's playground will be closed until replacement slides can be purchased, delivered, and installed. Currently, the slides are unsafe for usage and a barrier will be installed at the top entrance of each slide to prevent usage and removal of barrier.
