B. National Parks and Recreation Month and City Proclamation

On Tuesday, July 6, Mayor Fletcher and City Council issued a proclamation recognizing July as Parks and Recreation month for the City of Burleson. Parks are at the center of so many experiences and memories. Local parks often serve as resident's first experiences in nature, introduction to a favorite hobby or physical activity. They are places to gather with friends and family, spaces to celebrate life's special moments, spots of respite and healing, sites that connect us with essential community services, and so much more.

This year for Park and Recreation Month, staff want to hear about Burleson's community stories and what city of Burleson parks and recreation mean to YOU!

In the month of July, staff will be featuring a variety of additional programs and events in celebration of National Parks and Recreation Month. Events include a Classic Summer Movie in the Park series, Family Olympic Games, an aquatic fun day, and more.

A variety of free BRiCK fitness classes, membership specials, and personal training sessions will be offered. Check out the calendar and link below for more information.

F. Feel Good Friday

On June 15, 2021, Burleson parks maintenance crew leader David Rosenbam, got a wonderful surprise. After an 18 month deployment in Yokosuka Japan, David's son, Ethan, came home. David's wife wanted to keep his return a secret. So on June 15, while David was getting ready for work, Ethan was standing there ready to have some coffee with his Dad. David spent the day with his son instead of heading to work, and we wanted to share this photo of them on their day together. We appreciate Ethan serving and we know his Dad is super happy to have him home.
