## II. General and Status Updates

### A. August 2022 Sales Tax Information

Below is the information from the Texas Comptroller of Public Accounts in reference to the City of Burleson Sales and Use Tax Collections for the most current period.

August 2021	August 2022	Diff \$	Diff %	FY 2021 YTD	FY 2022 YTD	Diff \$	Diff %

*Note: August 2022 sales tax amount represents sales incurred in June 2022.*

### B. School Zone Flasher Installation

During the June 20, 2022, city council meeting, the purchase of school zone flasher controllers was approved by council. This supports the Traffic ITS program by updating the controllers and adding communications. The installation of all the new controllers is now complete.

The new controllers allow staff to make real-time adjustments to the school zone flasher without being on location. These new controllers also give staff valuable information about the flashers' operation, such as low batteries, low solar charging, burnt-out bulbs, and whether the flasher is on or off.

The new school zone flashers communicate with the TavelSafely app, which adds a public safety element to the school zone. If residents have the app, it will inform them when they enter a school zone. It will let them know they are entering a reduced speed school zone, notify them if they increase their speed that they are still within the zone, and tells them when they exit.

Staff will work with the communication team to get the word out about the application.

### C. Buy BTX

The EDC team is launching Buy BTX, a new program to help promote small/locally owned and operated businesses in the city. Starting in September, bi-weekly videos will be posted on the city's social media. The videos will include interviews with business owners, live demonstrations and much more. Locally owned and operated businesses will be given a custom Buy BTX window cling to proudly display in their storefronts. A new Buy BTX online directory that lists all the businesses in the community will be launched simultaneously on both the city's official site and the EDC website. Owners/managers can submit their business to be listed on the Buy BTX website through an online form that will be marketed to the business community.

### D. Library News

#### **Library Receives Grant**

MetroShare Libraries, the library consortium Burlleson is part of, will be awarded a \$74,000 grant from the Texas State Library and Archives Commission for the fiscal year 2023. The grant will be used for software costs and courier services, saving funding from the city's General Fund.

MetroShare was formed in 2021 as a way for libraries to collaborate services--pooling resources, sharing costs, gaining new users, broadening collections, strengthening program initiatives, and sharing local expertise. Member libraries include Burlleson, Benbrook, Forest Hill, Haltom City, Haslet, Keller, Richland Hills, and Watauga.

## Library Consortium Expands

On August 1, MetroShare welcomed the Haslet Public Library as their newest member. Decatur Public Library, Roanoke Public Library, and Saginaw Public Library will join this fall, further expanding Burleson Public Library patron's access to collections.

## E. Senior Center Programming

**Karaoke:** 12:30-2:30 p.m.

2nd Tuesday of the Month

Join in the fun at the Senior Activity Center, 216 SW Johnson Ave, as participants sing and dance to a wide variety songs. All talent levels are welcome.

## F. Feel Good Friday

Resident Ann Hull Rose helped another resident whose air conditioner stopped working by getting a donated air conditioner for her. Firefighters from Station 1's C-shift and a Centennial High School Fire Academy student who was the crew on a ride-along installed the air conditioner for the resident. We love this story of multiple community members coming together to help someone in need.
