II. GENERAL AND STATUS UPDATES

A. OCTOBER 20 CITY COUNCIL PHOTOS

City council proclaimed October 19-25, 2025 as “**Friends of the Libraries Week**” in Burleson. Interested in joining the Friends of the Library, learn more [here](#).

City council met **Mandi, the adoptable pet of the quarter**. Mandi is a three-year-old shepherd mix waiting for her forever home at the Burleson Animal Shelter.

City council recognized the **city secretary's office for their multiple awards and recognition for excellence**. Read the full news release [here](#).

- City Secretary Amanda Campos was awarded the Texas Municipal Clerks Association (TMCA) 2025 Distinguished Service Award. Campos was recognized for her exceptional leadership, dedication, and contributions to the municipal clerk profession, her community, and TMCA.
- Deputy City Secretary Monica Solko, made history as the first-ever recipient of the TMCA Deputy Municipal Clerk of the Year Award.
- The City Secretary's Office was also honored with the TMCA Municipal Clerk's Office Achievement of Excellence Award for the second time. This

award recognizes outstanding achievement in managing resources effectively and efficiently within a municipal clerk's office.

- Adding to the list of honors, Assistant City Secretary Lisandra Leal was named Chair of the TMCA Scholarship Committee, where she will lead efforts to support and empower clerks across Texas through education and training opportunities.

B. KMP PLUMBING, HEATING AND AIR BREAKS GROUND ON \$6M BURLESON FACILITY

The city of Burleson highlighted a significant achievement, as KMP Plumbing, Heating and Air broke ground on a new \$6 million-plus corporate headquarters and service center inside Highpoint Business Park on October 17, 2025.

“For more than 40 years, this family-owned business has been a cornerstone of quality and reliability in the DFW Metroplex, delivering trusted plumbing, heating and air solutions with a legacy built on faith, family and care for their customers as well as their employees,” said Economic Development Director Alex Philips. “We could not be prouder to welcome them to Burleson, Texas.”

The \$6 million-plus project will bring a new 26,750-square-foot corporate headquarters to Highpoint Business Park, retaining 75 existing jobs and creating an additional 30. It’s a significant investment that will deliver a strong boost to Burleson’s local economy.

“Our new home in Burleson will empower our team to serve more families and businesses across North Texas,” said Rustin Mayse, owner of KMP Plumbing, Heating and Air. “We’re grateful to the city for welcoming us and for sharing our belief that strong communities are built on faith, family and commitment.”

Once complete, the facility will accelerate the growth of KMP Plumbing, Heating and Air and help the company achieve greater success in its fields of expertise. The new headquarters will be a prominent fixture in Highpoint Business Park, joining other family-owned and operated businesses in the park.

This investment reflects Burleson’s ongoing commitment to attracting major commercial developments that expand the city’s economic base and provide new opportunities for its residents.

C. SMOKE TESTING OF SANITARY SEWER SYSTEM

From October 28 through 31, Public Works will perform smoke testing of the sanitary sewer system in the areas listed below. This routine maintenance uses safe, non-toxic smoke to help identify leaks or defects in the sewer lines.

Locations:

- S.W. Alsbury Boulevard
- Redhaw Court
- N.E. Clinton Street

- N.W. Lorna Street
- N.E. Michael Drive
- N.W. King Street
- N.E. Murphy Road
- N.W. Renfro Street

Key points:

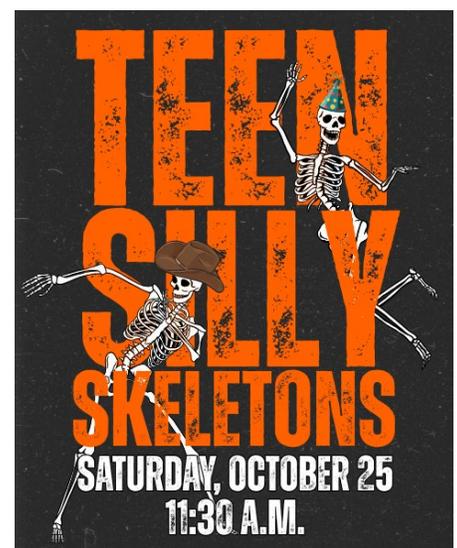

- The smoke is harmless, non-staining and poses no fire risk.
- To minimize smoke entering homes or businesses, residents should run at least one gallon of water into all drains when notified of testing.
- Smoke may be visible from sewer vents, roof drains, catch basins, pavement cracks or yards near sewer connections.
- Smoke inside buildings signals possible faulty plumbing; if this occurs, residents should call 311.
- **People with respiratory conditions (e.g., asthma) should contact the city at 311 prior to testing beginning.**
- Unauthorized stormwater connections to the sewer system will be identified and addressed during the testing.

D. BURLESON PUBLIC LIBRARY PROGRAMMING **Teen Silly Skeletons**

On **Saturday, October 25, from 11:30 a.m.–12:30 p.m.**, teens are invited to get into the Halloween spirit at the Burleson Library's **Teen Silly Skeletons** program. Participants will use their creativity to dress up miniature skeletons in fun, spooky, or downright silly costumes—just in time for Halloween. This lighthearted craft program is perfect for teens looking to show off their imagination and enjoy some seasonal fun.

Coat Drive

The **Burleson Public Library** is partnering with **Harvest House** for a community **Coat Drive: Give the Gift of Warmth**. From **November 3 through December 6**, the library will host a “take a coat, leave a coat” swap to help neighbors in need. Community members are encouraged to donate new or gently used coats and jackets in all sizes (for both adults and children) that are clean and in excellent condition. Anyone in need of a coat is welcome to take one—no questions asked. Donations can be dropped off at the Burleson Public Library. Let’s come together to help keep Burleson warm this winter.

E. SENIOR ACTIVITY CENTER PROGRAMMING

Spanish Language Classes

- **Spanish I**, Thursdays 1:45 p.m.
- **Spanish II**, Mondays 1:45 p.m.
- **Spanish III**, Mondays 2:30 p.m.
- **Spanish IV**, Thursdays 11:30 a.m.

The Burleson Senior Activity Center offers Spanish language classes for all skill levels, from beginners to more experienced speakers. Participants can choose the class that best fits their experience and learning goals.

Chair Exercises

- **With Instructors**, Mondays 10 a.m. & Thursdays 11:15 a.m.
- **With Video Instruction**, Wednesdays 10 a.m.

Join the Burleson Senior Activity Center for chair exercise, a class designed to help seniors improve strength, flexibility and mobility. Regular participation can support independence and reduce the risk of falls. This class is ideal for those with limited mobility who want a safe and effective way to stay active.

FEEL GOOD FRIDAY

They say the odds of hitting a hole-in-one on a Par 4 are about 6 million to 1... but Marcus Vega proved anything is possible.

During a round at Hidden Creek Golf Course, Marcus stepped up to Hole 10 and made a shot that golfers dream about—a perfect hole-in-one on a Par 4. It's a moment that's incredibly rare, but one that will go down as an unforgettable memory made right here in Burleson.

Congratulations, Marcus!
