The Father/Daughter and Mother/Son Valentine Dance slated for Saturday, Feb. 12, at the Senior Activity Center is completely sold out. The City's parks and recreation department apologizes for any inconvenience this may have caused to parents and their children. Space for this event was limited, and tickets for this event went on sale Jan. 11.

Due to the incredible demand for this event, the City's parks and recreation department is pleased to announce that it will host this event on two nights in 2012 so that everyone who wants to participate can. Be sure to enroll early next year to ensure your spot.
