

## NOTICE TO BIDDERS

Notice is hereby given that the City of Burleson is now calling for bids for construction of the Upper Pressure Plane to Lower Pressure Plane Transfer Valve Project. All bids must be sealed and clearly marked "SEALED BID – Upper Pressure Plane to Lower Pressure Plane Transfer Valve Project" and returned to the Public Works Department, 141 W. Renfro, Burleson, Texas, 76028, prior to 10:30 a.m., May 3, 2011, at which time they will be and then publicly opened and read aloud.

Specifications, and Contract Documents for this project may be examined without charge at the Public Works Department, 141 W. Renfro, Burleson, TX 76028-4261. Contract documents may be purchased from the Public Works Department, for Twenty-Five dollars (\$25.00) per set.

The major work on the above-referenced project consists of the following:

- Demolition of existing transfer valve vault assembly
- Salvage existing transfer valve and 12" gate valves
- Construction of new transfer valve vault assembly

The City reserves the right to reject any and/or all bids and waive any and/or all formalities. Bidders shall not separate, detach, or remove any portion, segment, or sheets from the contract documents at any time. Bidders must complete the proposal section and submit the complete specifications book or face rejection of the bid as non-responsive.

Bidders are responsible for obtaining all addenda to the contract documents prior to the receipt time and acknowledging them at the time of bid receipt. Information regarding the status of addenda may be obtained by contacting the Public Works Department at (817) 426-9621. Bids that do not acknowledge all applicable addenda may be rejected as non-responsive.

POSTED THIS the April 8, 2011, in the Burleson City Hall, 141 West Renfro, Burleson, Texas.
