You have Happy Hour, and then you have Yappy Hour.

The Burleson Animal Shelter and Lone Oak Winery are teaming up for Yappy Hour on Friday, July 22, 7 p.m.-10 p.m., at the winery.

The shelter staff will bring adoptable pets to Yappy Hour for on-site adoption. Guests can bring their own pets, on a leash. Yappy Hour is open to the public. There is no fee to attend. Adoption fees range from \$55 to \$65 and include basic vaccinations and microchipping. Depending on the age of the animal, the fee also includes a rabies vaccination voucher and heartworm and FELV (feline leukemia virus) test.

Since the dogs are the stars of the night, the winery will have treats for the dogs. There is a large grassy area between the winery's tasting room and the vineyards where the adoptable pets and the attendee's pets can roam. Owners are asked to clean up after their pets at Yappy Hour. The City's environmental services division will provide bags to pick up the waste.

A portion of the proceeds from Yappy Hour will be donated to the animal shelter. For more information, call Lone Oak Winery at 817-426-6625 or the Burleson Animal Shelter at 817-426-9280. Keep up with what dogs and cats are available for adoption by going to the City website, [www.burlesontx.com](http://www.burlesontx.com), Departments, Neighborhood Services, Animal Services, Adoptions, then click on animals available for adoption. The winery is located at 2116 FM 731 in Burleson.
