Have you been gathering your pictures of people, pets, places, nature, recreation, history and culture/lifestyles? You have less than three weeks to turn in pictures for the City's first Burleson Calendar Photo Contest sponsored by Keep Burleson Beautiful and the City of Burleson.

Pictures from those seven categories must represent the best of living in Burleson. Winning images will be published in a 2012 Keep Burleson Beautiful calendar and may be used in City publications and inside City buildings.

Photographs must be taken within the Burleson city limits. Entries of identifiable Burleson places are encouraged. If the photographs include people who are recognizable, the submitted picture must be accompanied by a signed release form. Participants then give the City and Keep Burleson Beautiful the non-exclusive right to publish, use, distribute, reproduce or publicly display photographs without payment or compensation.

Entries may be mailed or hand-delivered to Keep Burleson Beautiful, c/o City of Burleson, 141 W. Renfro St., Burleson, Texas 76028, by Monday, Aug. 1, 2011.

For a complete list of contest rules, contact Environmental Programs Specialist Bianca Chafin at 817-426-9842 or go to the City website, www.burlesontx.com, hover over Departments, then click on Neighborhood Services, Environmental Services, Keep Burleson Beautiful, Programs and Events, and Calendar Photo Contest.
