The City of Burleson is hosting a public meeting on Thursday, Sept. 29, to discuss the I-35 Corridor. The two-hour meeting will start at 6:30 p.m. in the Burleson High School cafeteria at 100 Elk Drive. Dinner will be provided. The meeting will include a presentation by City staff as well as a small group breakout session.

The I-35 corridor plan is part of the City's comprehensive plan. The interstate extends nine miles through Burleson, from just north of the Alsbury Boulevard exit to south of FM 917. The interstate is a major north-south transportation route through north central Texas. The I-35 corridor plan includes five special areas, including Spinks Airport, East Renfro Street/Hurst Road, Hidden Creek Destination Center, the HighPoint Business Park, and FM 917 interchange.

A copy of the I-35 Corridor Plan as well as maps of the five areas can be found on the City website, [www.burlesontx.com](http://www.burlesontx.com), Departments, Community Development, Planning & Zoning, Small / Special Area Plan.
