The public's assistance is needed in locating Freddy Johnson, a 73-year-old Burleson man who was last seen at 12:30 p.m. today, Jan. 17, in the 400 block of Rand Street.

Johnson is a Caucasian male, 5-feet-11-inches tall, weighing approximately 275 pounds. He was last seen wearing a blue flannel shirt and dark jeans. Johnson is in the advanced stages of Alzheimers.

The Texas Department of Public Safety implemented the Silver Alert Network after Sept. 1, 2007. The network assists law enforcement in the recovery of missing senior citizens statewide.
