The average taxable value of a residence homestead in City of Burleson last year was \$122,063. Based on last year's tax rate of \$0.6900 per \$100 of taxable value, the amount of taxes imposed last year on the average home was \$842.23.

The average taxable value of a residence homestead in City of Burleson this year is \$120,049. If the governing body adopts the effective tax rate for this year of \$0.6845 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$821.74.

If the governing body adopts the proposed tax rate of \$0.6900 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$828.34.
