Daylight saving time means the City's cemetery, Burleson Memorial Park, will get spruced up. The clocks spring forward one hour at 2 a.m. on Sunday, March 10. All items that are not permanently attached to the memorial or marker will be removed after the time changes. Items will be removed from gravesites the week of March 10-16.

The removal includes fresh or artificial flowers and other items that are hanging, sitting or lying on the gravesite. This cleanup occurs twice a year, always as daylight saving time begins (March) and ends (November).

For a copy of the flower rules and regulations, contact Lucas Blessing Funeral Home, 518 S.W. Johnson Ave., or call 817-295-9000.

When you change your clocks, don't forget to change the batteries in your smoke detectors. And, if your smoke alarms are more than 10 years old, instead of replacing the batteries, replace the alarm.
