The City of Burleson, in partnership with the Drug Enforcement Administration (DEA), will be hosting a Take Back Meds Event on Saturday, April 27, at the old City service center, 133 N. Main St. The event is 10 a.m.-2 p.m.

Residents may drop off unused, expired or unwanted medications, in both pill and liquid form, for safe disposal at this event. This includes over-the-counter as well as prescription drugs. The Take Back Meds Event raises awareness of proper drug disposal, helps keep our drinking water safe, and protects from poisoning (children and pets) and drug abuse. The drugs collected on April 27 will be incinerated.

For more information about Burleson's April 27 event, call Sgt. Bob Sherman at 817-426-9951.
