

NOTICE TO BIDDERS

Notice is hereby given that the City of Burleson is now calling for bids for construction of the 16" Water Transmission Line to Service the Hulen LPP Pump Station. All bids must be sealed and clearly marked "SEALED BID – 16" Water Transmission Line to Service the Hulen LPP Pump Station" and returned to the Engineering Services Department, 141 W. Renfro, Burleson, Texas, 76028-4261, prior to **10:30 A.M. Tuesday, July 16, 2013**, at which time they will be publicly opened and read aloud.

Plans, Contract Documents and Specifications will be available on or after **8:00 A.M. Monday, June 17, 2013** for review or download free of charge at www.civcastusa.com. Specifications and Contract Documents for this project may also be examined without charge at the City of Burleson Engineering Services Department, 141 W. Renfro, Burleson, TX 76028-4261 or at the engineering firm of Teague Nall and Perkins, Inc., 1100 Macon Street, Fort Worth, Texas, 76102.

The approximate quantity of major pay items for the above-referenced project consist of:

14,700 LF - 16" PVC Water Line
700 LF - 30" Steel Casing by Bore
3,800 SY - Concrete Pavement Repair

The City reserves the right to reject any and/or all bids and waive any and/or all formalities. Bidders shall not separate, detach, or remove any portion, segment, or sheets from the contract documents at any time. Bidders must complete the proposal section and submit the complete specifications book or face rejection of the bid as non-responsive.

A cashier's check, or an acceptable bid bond, payable to the City of Burleson in an amount of not less than five percent (5%) of the largest possible total of the bid submitted must accompany the bid, and is subject to forfeit in the event the successful bidder fails to execute the contract documents within ten (10) working days after the contract has been awarded. Bids without cashier's check or bid bond will not be considered.

Bidders are responsible for obtaining all addenda to the contract documents prior to the receipt time and acknowledging them at the time of bid receipt. Information regarding the status of addenda may be obtained by contacting the Engineering Services Department at (817) 426-9621. Bids that do not acknowledge all applicable addenda may be rejected as non-responsive.
