The City of Burleson and Keep Burleson Beautiful will host two free horticultural seminars, one in September and one in December, at the Burleson Public Library. The seminars will be conducted by master gardeners from the Texas A&M Agrilife extension. The seminar dates are Thursdays – Sept. 12 and Dec. 5 – at 6 p.m.

The September seminar will cover a variety of landscaping topics including planting trees, shrubs, and successful gardening tips. The seminar will allow attendees to successfully apply environmentally sound techniques specific to Tarrant and Johnson counties. The December seminar will cover tree trimming, pruning, and planting bulbs for the spring. This seminar will help your trees and flowerbeds look their best next spring.

Keep Burleson Beautiful is a non-profit organization dedicated to preserving the health and prosperity of Burleson through litter prevention, solid waste elimination, education, and beautification. Keep Burleson Beautiful is a 501(c)3 non-profit that partners with the City. For more about Keep Burleson Beautiful, go to <http://tinyurl.com/lt7myxo> on the City website. For more about the seminars, call David Lenartowicz, environmental specialist for the City and the executive director of Keep Burleson Beautiful, at 817-426-9842. The Burleson Public Library is located at 248 S.W. Johnson Ave.
