Register your child for a free day of learning how to fish at Burleson's own Bailey Lake.

Members of the Burleson Fire Department, Burleson Police Department, the City's parks and recreation department and the fire marshal's office are hosting as well as teaching, the event. Children, kindergarten to fifth grade, are invited. The fun takes place Saturday, Oct. 5, 9 a.m.-noon, at 280 W. Hidden Creek Pkwy. The entrance will be set up at the intersection of Hidden Creek Parkway and Gardens Boulevard. Bailey Lake is adjacent to Norwood Elementary School, so parking will be available.

Children will learn how to cast, play games, and fish in this catch and release program. Participants will compete to see who can catch the longest fish and the shortest fish. Children will be divided into age groups (5-7, 8-9, 10-11) for the contests. The winners will take home a tackle box. Fishing rods will be complimentary for the first 50 children (5-11 years old). A free hot dog lunch will also be provided.

Each child must be accompanied by a parent/guardian. Register Sept. 1-30 at the BRiCk, 550 N.W. Summercrest Blvd. The list of sponsors will be included in an update that will be released a few weeks prior to the Oct. 5 event. Call 817-426-9104 for more information.
