Burleson detectives arrested a 20-year-old Fort Worth man on June 12 for burglary of a home and unauthorized use of a motor vehicle. The arrest is connected to the rash of vehicle burglaries reported earlier this week.

Angel Del Rio was arrested at 6:12 p.m. at a White Settlement home. He was taken in to custody in connection with several vehicle burglaries, the theft of a vehicle, and the burglary of a home, all which took place in the northern part of Burleson. Detectives said Del Rio was identified as part of a group that includes as many as four suspects who were in a stolen vehicle at the time the burglaries were committed in Burleson.

Del Rio is currently charged with unauthorized use of a motor vehicle and burglary of a habitation. Burleson detectives are working on warrants to arrest the other suspects who are believed to be involved in the burglaries. This group is also implicated in crimes that took place in other jurisdictions.
