Fireworks will light up the sky in Old Town on Saturday, Dec. 6, to serve as the big finale for a day full of Christmas festivities.

The Burleson Rotary Club is hosting the Parade of Lights that step off from Kerr Middle School at 6 p.m. on Dec. 6. Twinkling lights are a must on each parade entry. Fees in the four categories range from \$10-\$45. The parade will start on the Irene Street side of the school parking lot, turn right on Gregory Street, right on Johnson Avenue, and right on Ellison Street. The Christmas parade will then turn right at the intersection of Ellison and Warren Street (next to Community Bank and Burleson City Hall) and head back to the middle school parking lot. The parade will not go past city hall.

Santa will be on that last Parade of Lights float. His final stop for the day is the corner of Johnson Avenue and Ellison Street, which will be bustling with dancers and singers entertaining the parade crowd.

The big finale is at 7 p.m. with the lighting of the City's Christmas tree and a firework show choreographed to holiday music. The two winners of the City's holiday coloring contest will not only ride with Santa in the parade, but they will help St. Nick light the City's Christmas tree, which is outfitted with more than 10,000 lights. After the tree lighting, Santa will head to his sleigh to listen to Christmas wishes.

For more information about the tree lighting and fireworks show, call the BRiCK at 817-426-9104. For more information about the parade, call Lisa Keese at 817-447-7300. The parade application is available online at <http://bit.ly/paradeoflightsform>.
