A team effort between the Stop the Offender Program Special Crimes Unit and the Burleson SWAT team resulted in the arrest of two men for felony manufacturing or delivery of drugs.

TIME/DATE: Tuesday, March 3, 2015, 7:48 p.m.

LOCATION: 500 block of Sandra Lane, Burleson

ARRESTED: Johnathan Ray Parnell, 26, and Dylan Shane Canen, 21, both of Burleson

CHARGES: Felony/Manufacture or delivery of a substance in penalty group 1 (4 grams-200 grams)

The warrant was issued following an extensive investigation by the STOP SCU unit. The men refused to open the door, so Burleson SWAT made a forced entry. Officers confiscated methamphetamines, marijuana, heroin, amphetamine pills and Trazodone that were intended to be sold, or for delivery. The charge is a first degree felony.

The arrestees were transported to the Burleson Police Department's holding facility on Tuesday. Parnell posted a \$10,000 bond and was released from the Johnson County Law Enforcement Center March 5. Canen is still in custody at Johnson County pending the posting of a \$10,000 bond. STOP SCU will be presenting the case to the district attorney.
