More than 34 runners, from age 2 to 79, ran from Old Town Burleson to Hidden Creek Parkway and back Saturday morning in the City's 4th annual 2015 Be Healthy Community 5K.

The winner of the May 2 race was 13-year-old Laura Ogletree of Glen Rose with a chip time of 22:56. The littlest one, wearing a bib, was James Ribitzki, who actually did the 5K in a stroller. The 79-year-old female inspiration was Margaret Thrash of Burleson who finished with a chip time of 43:12.

The top 10 finishers included Ogletree, Dan McClendon, Kaye Kauffman, Kursten Hertneck, Mark Hill, Mike Ribitzki, Harley Hertneck, Chance Goodman, Alex Phillips and Catherine Ogletree. To see all of the results, go to <http://bit.ly/5Kresults050215>. Only 34 are listed on the results list because some runners were not wearing the racing bibs/chips.

The event is sponsored by the City of Burleson, Texas Health Huguley Hospital, H-E-B, Burleson Independent School District, and the Johnson County Alliance for Healthy Kids. Proceeds from the event go to the City's Be Healthy Initiative.
