Do you want to learn about the future possibilities for Old Town Burleson? You have a second chance on Thursday, June 11.

The first meetings were May 26-27. On June 11, 6 p.m.-8:30 p.m., the topics will include dealing with Renfro Street; historic preservation/working with historic resources; parking and circulation; business mix; public infrastructure; and public spaces.

The City of Burleson and Urban Development Services will be conducting the June 11 meeting of the Old Town Plan Update at Burleson City Hall. With this workshop, Urban Development Services will showcase some potential options to issues and topics that were discussed during the May meetings as well as provide a forum for additional discussion and commenting.

Members of the Burleson City Council, Planning and Zoning Commission and Old Town Design Standards Review Committee are expected to attend. Input from the community is vital to the plan.

City hall is located at 141 W. Renfro St.
