The SWAG Affair is back. The message at this free event is Sober – Wait – Awareness – Guidance. Clear your calendar for Thursday, Sept. 3, 4 p.m.-8 p.m., at Chisenhall Fields Sports Complex. The event is hosted by the Burleson Municipal Court and Burleson city marshals.

More than 50 organizations have committed to participate. The court has partnered with K104.5 and K105.7 (104.5 is hip-hop and R&B and 105.7 is R&B), as well as First Financial Bank in Burleson.

This year's SWAG Affair includes a Kids Zone that's tailored to elementary school-age children. CareFlite will be landing a medical helicopter at the event, and the New Braunfels Police Department is bringing the DWI simulator. You'll also see several City departments – environmental services, fire marshal, Burleson Police Explorers, the fire department, Citizens On Patrol, and the library.

SWAG includes food, fun, prizes and giveaways as well as lots of educational and fun information. Don't miss it!
