Burleson Public Library in partnership with North Texas Libraries On the Go and Recorded Books, is pleased to announce the availability of Zinio for Libraries, the world's largest newsstand.

Through [www.burlesonlibrary.com](http://www.burlesonlibrary.com), library customers will have free unlimited multi-user access to complete digital magazines, easily viewed on most Internet-enabled devices inside or outside of the library. Zinio's unique technology digitally recreates a magazine page for page, including full color pictures, intuitive navigation, key word article search and interactive elements such as audio and video. *Better Homes and Gardens*, *Apple Magazine*, *Good Housekeeping*, *The Economist* and *HGTV Magazine* are just a few of the popular titles available.

"Zinio makes it easy for our customers to get their favorite magazines in a format that is convenient for them," Sara Miller, library services manager, said. "We are very excited to be adding this service and we believe it is a valuable addition to our digital resources."

For more information on how to access this service, please call the Burleson Public Library at 817-426-9210 or go to [www.burlesonlibrary.com](http://www.burlesonlibrary.com).
