**Facebook Town Hall scheduled for Plaza design input**

*On Wednesday, Dec. 14 residents and business owners don't even have to leave their homes to give input for The Plaza design in Old Town.*

The Plaza development that is slated for Old Town has some great public space and the City is asking for the public's input on the design. An online forum will be held 6 – 8 p.m. Wednesday, December 14 on the City's Official Facebook page. Staff will be online ready to answer any questions and gather community input.

View the design presentation from the October 26, 2016, public meeting that was held at Burleson City Hall.

**BACKGROUND**

In January 2016, the City issued a Request for Proposal (RFP) for a mixed-use development, which will include retail, restaurants and residences in Old Town. As part of the mixed-use development the City required for a plaza to be constructed in the area between the new building at 135 W Ellison and City Hall, 141 W Renfro. Integrity Group was selected as the developer by City Council in April 2016 and the design process has been underway since then.
