### **Frost named Employee of the Quarter**

*Joshua Frost, Code Enforcement Officer, was named the Employee of the Quarter.*

Mentoring co-workers and his desire to always deliver the best service to the citizens of Burleson are just a few of the reasons Joshua Frost was named the City of Burleson's employee of the quarter.

In 2011, Joshua started working in the street department and moved to code compliance just two years ago. In the short time he has worked as a code enforcement officer he has become very knowledgeable on the subject and is always willing to assist staff in other departments or help train new employees in his department.

"People often think that all we do is write tickets but that is very far from the truth," said Joshua. "We work very hard with citizens to help them resolve issues, often times they are not financially or physically able to get something fixed and we help them find solutions. That is my favorite part of this job."

"Joshua is very selfless and he took me under his wing to teach me all about the department and basics of my job duties," states his nomination form. Joshua was honored at the December 12 City Council meeting. The city's employee of the quarter award is based on an employee's efficiency, transparency, honesty, innovation and customer service, all of which make up the city's ethics statement.
