Facebook Town Hall scheduled

On Tuesday, Jan. 31 residents and business owners can ask questions and provide input for any city related item via a Facebook Town Hall.

As a way to continue to engage our very busy community the City of Burleson will be hosting a Facebook Town Hall from 6 - 7:30 p.m. on Tues. Jan. 31 on the City's Official Facebook page.

Residents and business owners can log in during that time and submit any question they may have or provide feedback to the City. There will be staff members from every city department available to answer questions in real time.
