City Council will host special meeting, Feb. 16

*A Special City Council meeting to discuss multi-family housing is scheduled for 7 p.m. on Thursday, Feb. 16. *Date change from Monday, Feb. 13**

The Special City Council meeting has been moved to Thursday, Feb. 16 from Monday, Feb. 13. The change was made to avoid the conflict with a scheduled Burleson ISD school board meeting. The decision to move this meeting was made to accommodate those who would like to attend both meetings.

The City Council will not take any action, but several questions have been raised concerning multi-family development. City staff will present a variety of information to include details of specific multi-family development during the Special City Council meeting at 7 p.m. on Thursday, Feb. 16 at Burleson City Hall, 141 W. Renfro.

There will be an opportunity for citizens to comment during the meeting. Any citizen with questions or concerns about multi-family development is encouraged to attend.
