Pecan Street Shooting Update

Public Safety news release regarding an officer-involved shooting

Investigation update: 8:30 PM Sept. 15

The injured party made the phone call to 911 to report the shooting. Evidence from the scene indicates that original gunshot was self-inflicted while the male was inside a residence. The male emerged from the residence with a knife and a gun and officers gave numerous verbal commands for him to drop the weapons. The male did not comply and threatened officers with deadly force.

The name of the gentleman is not currently being released. He is in surgery and listed as serious to critical.

All further media inquiries should be made to DPS Media Relations or the Texas Rangers who are now in charge of the investigation.
