Public invited to discuss upcoming city engineering projects

The public is invited to attend a come-and-go Engineering Open House from 4:30 - 7:00 p.m. Thursday, Feb. 22 in the council chambers at Burleson City Hall.

Engineering staff will have plans available for the public to view on a variety of projects. Staff will also be available to answer questions and address any concerns.

Projects that will be available for viewing include the following:

- Alsbury Extension to Hulen, [Learn more](#)
