### **City looks for public input on trash and recycling**

*Residents can give their feedback via a survey and public input meetings.*

With the opportunity to begin a new garbage and recycling contract in June 2019, city leaders are interested in hearing what our citizens think about everything from 65-gallon carts to curbside special trash collection to recycling collection.

City staffers expect to begin the bidding process for Burleson's next garbage and recycling contract sometime between December 2018 and January 2019, so utility customers have until Sunday, June 30 to add their voice to the feedback via an online survey, [www.burlesontx.com/talktrash](http://www.burlesontx.com/talktrash). The survey is also available in print, please contact (817) 426-9835 to request one.

Customers will also be able to speak to staff about the solid waste contract at several Town Hall meetings. Schedule of public input meetings is below, a few more meetings are still being scheduled, check the above url for additional details.

- June 6, 6 p.m. at Bransom Elementary, 820 S Hurst Rd, Burleson
- June 11, 6 p.m. at City Hall, 141 W. Renfro, Burleson
- June 19, 6 p.m. at Hajek Elementary, 555 NE McAlister Rd, Burleson
- June 26, 6 p.m. at Burleson Public Library, 248 SW Johnson Ave, Burleson

Staff and City Council members will use the results of the short questionnaire and public input meetings to inform the city council as they consider both the initial bid request and our contract negotiations.
