

BUILDING INSPECTIONS DEPARTMENT ROADWAY IMPACT FEES

In October 2017, a notice of all the adopted fee updates was provided and posted on the [city's webpage](#). In the notice, the implementation of Roadway Impact Fees was included as these fees provided a grace period of 12-months from March 7, 2017. The grace period will end on March 7, 2018. Any permit issued on or after this date will be assessed a roadway impact fee. This will mean that there will be an additional **\$1998.98** assessed to each new permit per dwelling unit.
