

Adults, 65 years and older, especially those with underlying medical conditions, are at higher risk for severe illness. COVID-19 is a new disease and we are learning more about it every day.

- **Pay attention for potential COVID-19 symptoms** including, fever, cough and shortness of breath. If you feel like you are developing symptoms, call your doctor.
- **If you are concerned that you have COVID-19, Texas Health has a COVID-19 Consumer Hotline that can be reached at 682-236-7601.**
- **If you do not have doctor, you can call 1-877-847-9355.**
