

# **THE CITY OF BURLESON RESIDENTIAL & COMMERCIAL OIL AND GREASE AWARENESS INFORMATION**

**Please help the community and keep the sewer lines clean**

## **DO's & DON'TS:**

### **Do not:**

- Pour grease, fats and oils from cooking down the drain
- Use the toilet as a wastebasket
- Use the sewer as a means to dispose of food scraps

### **Do:**

- Scrape excess oil and grease into a container. Waste oil and grease from restaurants can be sold to rendering facilities. Residential sources should dispose of oil and grease in the garbage.
- Wipe dishes, pots, and pans with a used paper towel prior to washing.
- Food scraps should be disposed in a compost pile or the trash. Avoid using the garbage disposal.
- Use screens and other equipment to ensure food material does not enter sink.
- Reduce, Recycle, and Reuse.
