BURLESON RESIDENTS VOTE YES ON BOND PROPOSITIONS

Burleson voters approved both propositions on the May 7 special bond election ballot.

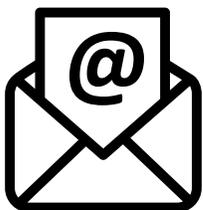

Proposition A for \$33,645,000 for street and road improvements passed with 937 votes for and 844 against.

Proposition B for \$52,360,000 for public safety facilities improvements and construction passed with 903 votes for and 878 votes against.

Several proposed bond projects will begin in the fiscal year 2022, including the neighborhood street rebuild project, the sidewalk program and the design for the extension of Alsbury Boulevard from Hulen Street to CR 1020. Work will begin as early as June 2022 on the dual left-turn lane at Lakewood Drive and Wilshire Boulevard (SH 174) and on the design of the intelligent traffic system that will allow the city to control and synchronize traffic signals throughout the city. Follow bond projects status and see the proposed timeline www.burlesontx.com/bond2022

EMERGENCY ALERTS sent straight to your phone

What is the BTX Alert?

This service allows you to opt-in to receive notifications via phone calls, text messaging, email and more, based on locations you care about. You can choose to receive notifications about events that may affect your home, workplace, schools and more.

When will it be used?

This system will be used to notify you about imminent threats to health and safety, as well as informational notifications that affect your locations or work environments. Administrators will send notifications regarding severe weather, water main breaks, boil water alerts, and mosquito control.

What if my phone number or email address changes?

The system is only as good as the information you provide. If your contact information changes, you can always visit your profile and update your information.

Questions? 817-426-9965 or wallen@burlesontx.com

BURLESON BARK PARK OPENS

Burleson Bark Park is a 0.91-acre off-leash dog park located at 620 Memorial Plaza. The park features a small breed dog paddock for dogs under 30 pounds and two large dog paddocks. Due to heavy traffic generated by larger dog breeds, the large dog areas are rotated weekly to help sustain natural turf. Burleson Bark Park is open Tuesdays - Sundays from 5 a.m. to 11 p.m. and closed on Mondays for maintenance. Details: www.burlesontx.com/barkpark

BUDGET INPUT WANTED

The City of Burleson is in the planning process for the Fiscal Year 2022-2023 budget and is asking residents to provide feedback on which items they'd like to see prioritized in next year's budget. Scan the QR code to take the brief survey by June 15 or visit www.burlesontx.com/budgetinput

Input from residents helps ensure that our community's most important needs and priorities are addressed in the city's budget.

DID YOU READ THIS?

We want to make sure the quarterly newsletter is an effective way to inform our residents. If you are reading this, scan the QR code to the right and enter a drawing to win a \$100 gift card to the Burleson business of your choice.

MAKE SURE FIDO IS ON A LEASH

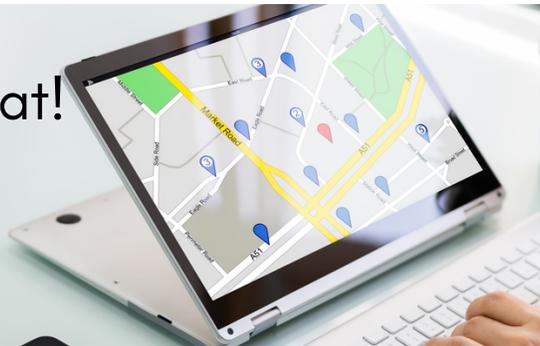

The weather is getting warmer, so it is a great time to take your favorite pup out for a walk or run. But, remember, city ordinance requires all dogs to be leashed when going outside of their home, backyard, or car. That includes walking in your neighborhood, on the trails, or in open spaces. Unleashed dogs can cause serious problems. They could injure other animals or people or become lost or hurt themselves. An unleashed dog will also result in a fine for the owner.

SEE WHAT IS HAPPENING AROUND THE CITY

We have a **MAP** for that!

- ➔ Road construction
- Development around Town
- Zoning
- Trails, and more

SCAN ME

Interactive maps include current and future road construction projects. You can also view commercial and residential development approved by the city council, which is under construction or has recently been completed. Other interactive maps include zoning, future land use, floodplain maps, and maps that showcase the city's trail system, mosquito spray zones, and garage sales for the week.
