MAKE SURE FIDO HAS A LEASH

The weather is getting warmer, so it is a perfect time to take your pups for a walk or run. But remember, the city ordinance requires all dogs to be leashed outside their home, backyard, or car. That includes walking in your neighborhood, on the trails, or in open spaces. Unleashed dogs can cause serious problems. They could injure other animals or people or become lost or hurt themselves. An unleashed dog will also result in a fine for the owner. Remember, if you are going out, make sure you #GetYourLeashOn.

WHO YOU GONNA CALL?

Starting March 13, there will be a new way to call, click and connect with the city of Burleson through the city's 311 Customer Call Center.

311 is a simple three-digit number residents, business owners, and visitors can call to get information, request services, and report issues. From library hours to reporting graffiti or overgrown grass, 311 is ready to help. The new 311 system will streamline processes to improve response times, limit phone transfers, and reduce non-emergency calls to 911.

Besides calling 311, residents can download a mobile app available in the App Store or Google Play by searching BTX311 or go online to www.burlesontx.com/btx311.
