

LegalShield's Guided Questionnaire Makes Creating a Will Easy!

Estate Planning. Writing a Will. End-of-life decisions. These are topics that nobody really wants to think about. Young and old alike, people tend to avoid dealing with these major legal issues, even though everyone will have to face them at some point.

Our members can access the Guided Will Questionnaire directly from the LegalShield app:

- Complete it on your own schedule – you can stop and start whenever you want. Progress is saved as you go.
- Enjoy the freedom and flexibility to work from any device.
- Helps you understand what needs to be in your Will.
- Offers definitions and simple explanations for legal terms commonly found within Wills to help members throughout the process.

When should you update your Will?

Think about all the ways your life can change at a moment's notice:

- Has your marital status changed?
- Have you made a major purchase, such as a house or a car?
- Have you recently added children to the family through birth or adoption?
- Do you need to establish guardians for your children?
- Has your family experienced the loss of a loved one?
- Did you move to a new state or make plans to temporarily live abroad?

LegalShield's Guided Will Questionnaire makes estate planning simple. Plus, the creation of a standard Will is included in a personal membership at no extra cost.
