PROGRAM MISSION

To provide opportunities for volunteers to help improve the appearance of the City of Burleson while building community pride.

WHAT IS THE LitterRANGERS VOLUNTEER PROGRAM?

LitterRANGERS is a program established by the City of Burleson through which volunteers agree to pick up litter along roadways, drainage ditches, or other public areas. The City provides trash bags, gloves and safety vests to volunteers. The volunteers must bring the litter collected to the City of Burleson for inspection and disposal. For every bag of litter collected, the volunteers earn 1 hour of community service work.

A City of Burleson representative will assist volunteers in selecting an area to clean. The City will also execute an agreement with the volunteer, set up a litter pick up schedule, and discuss safety rules with volunteers. Volunteers earn 1 hour of community service work for attending a safety training meeting.

Individuals participating in this program can take pride in their contributions to the community and be confident that their efforts are increasing public awareness about litter control. **LitterRANGERS** saves taxpayer dollars and gives volunteers a valuable opportunity to work together to make a difference.

WHO CAN PARTICIPATE?

LitterRANGERS is open to volunteers in the City of Burleson, including court appointed volunteers.

Note: A parent or guardian must supervise volunteers who are age 18 or under when participating in any **LitterRANGERS** activity.

WHY PARTICIPATE?

People often notice the litter in our community and feel angry and frustrated that our natural environment is being treated this way. Now, you can put these feelings into action by helping to keep our community clean.

There are more than 450 miles of streets and 25 miles of drainage ditches throughout the City. It's too costly for City staff to pick up all the litter on public land. Your volunteer efforts can make the difference in achieving the higher standards we all have for these areas.

BENEFITS OF THE LitterRANGERS PROGRAM

COMMUNITY INVOLVEMENT

LitterRANGERS provides opportunities for individuals to help keep the City free from litter. As a volunteer, you will have a unique opportunity to donate services to the community and enjoy the results of your hard work.

LitterRANGERS volunteers become stewards of public lands by working to improve the look of the community in a meaningful way for all to enjoy.

ECONOMIC

When you help the City by maintaining our public lands through litter removal, tax dollars are stretched further. The economic benefit could be seen with more people wanting to live or establish businesses in the enhanced environment created in part by **LitterRANGERS**.

ENVIRONMENTAL

Your effort and involvement increases public awareness of the importance of protecting our natural resources and the environment. You can create a better environment for yourself and your neighbors.

INDIVIDUAL

What better feeling can one have than the feeling of knowing that he or she makes a difference? You can make a difference in the aesthetics of your community, the health of the environment and the sense of pride people have in our community. Volunteering keeps you active and outdoors, gaining the many health benefits of an active lifestyle.

PROGRAM POLICIES

When reviewing this document, the term "Volunteer Coordinator" refers to the City of Burlison's point of contact. "Volunteer" refers to the **LitterRANGERS** volunteer.

1. The volunteer must enter into a signed agreement with the City of Burlison (see page 17).
2. All work must be performed during daylight hours.
3. All volunteers must follow safety guidelines. Prior to conducting a cleanup, volunteers must attend a safety guidelines training meeting. Volunteers earn 1 hour of community service work for attending the meeting.
4. Volunteers should provide the Volunteer Coordinator with at least one week's notice of their intent to perform pickups to allow City staff time to coordinate resources.
5. Volunteers age 18 or under must have responsible adult supervision by a parent or guardian while participating in any **LitterRANGERS** activity. The parent or guardian must be present at the cleanup site and in the presence of the volunteer during all pickup activity.
6. Each **LitterRANGERS** volunteer must have a Volunteer Waiver and Indemnification form on file with the Volunteer Coordinator **prior** to the first work day. Court appointed volunteers should

7. Volunteers are responsible for completing an Inspection Checklist at the beginning and end of each scheduled work day. The Inspection checklist documents the date, number of trash bags collected and condition of the area. The Inspection Checklist is an important tool used by the Volunteer Coordinator to evaluate the program and document volunteer contributions to the City of Burleson. On the reverse side of the checklist is an Audit Roster. The Audit Roster is another tool used by the Volunteer Coordinator to keep track of who was present at the work cleanup site and if they contributed to the cleanup effort. The Audit Roster must also be completed at the beginning and end of each scheduled work day.
8. Volunteers shall provide their own transportation and tools to accomplish the program requirements.
9. Volunteers shall agree to abide by all applicable City regulations.
10. Volunteers must have a first aid kit and be aware of local emergency services in case of injuries.
11. Volunteers may keep proceeds from any materials with recyclable value that are collected.
12. The Volunteer Coordinator will provide trash bags, safety vests and gloves. Safety vests and unused trash bags must be returned to the Volunteer Coordinator within 7 business days following the completion of volunteer work.

13. Within 2 business days following a litter pickup event, the volunteer shall bring the litter collected to the Volunteer Coordinator for inspection and disposal. At that time, the Volunteer should turn in the Inspection Checklist and Audit Roster. The Volunteer Coordinator will inspect the bagged litter to verify that it is litter and not household trash. For every bag of litter collected, the volunteer will earn 1 hour of community service work. The City's Public Works Department will dispose of filled bags.
14. The Volunteer Coordinator will monitor and record all forms for the **LitterRANGERS** volunteer. These documents will be used to validate the number of community service hours earned. **LitterRANGERS** volunteers earn 1 hour of community service work for every bag of litter collected.

HOW TO APPLY

STEP ONE: REVIEW AND COMPLETE THE INFORMATION PACKET

The first thing you need to do to volunteer for **LitterRANGERS** is to read and complete all the information in this Packet. Contained in it are:

- Application
- Statement of Commitment - which describes the responsibilities of the volunteer and the City
- Volunteer Waiver and Indemnification Form - each participant must complete and sign a Volunteer Waiver and Indemnification form. Court appointed volunteers should have signed a Volunteer Waiver and Indemnification form with the Municipal Court. That form meets this requirement for their participation in **LitterRANGERS**. All other **LitterRANGERS** volunteers, including parents and/or guardians, must also complete a Volunteer Waiver and Indemnification form prior to participating in cleanup activities (see page 19). If a

Once all forms are completed, you may mail them to or drop them off at:

City of Burleson
Environmental Services Division
141 W. Renfro
Burleson, Texas 76028

STEP TWO: LitterRANGERS STAFF APPROVAL

The City's Volunteer Coordinator will review your application for completion. You will be notified by the Volunteer Coordinator when your application has been approved.

STEP THREE: SCHEDULE A SAFETY TRAINING MEETING

Contact the City's Volunteer Coordinator at 817-426-9842 to schedule a time and date to attend a safety guidelines training meeting. Volunteers earn 1 hour of community service work for attending the meeting.

STEP FOUR: ORGANIZE AND PLAN YOUR FIRST CLEANUP

Select a date for your first cleanup and then arrange with the Volunteer Coordinator to pick up trash bags, gloves and safety vests. As a volunteer, you must supply all other supplies and tools. Cleanup materials may include rakes and other tools.

Use your Inspection Checklist to document the date, number of trash bags collected and condition of the area. The Inspection Checklist is an important tool used by the Volunteer Coordinator to evaluate the program and document volunteer contributions to the City of Burleson. On the reverse side of the checklist is an Audit Roster. The Audit Roster is another tool used by the Volunteer Coordinator to keep track of who was present at the work cleanup site and if they contributed to the cleanup effort. Both the Inspection Checklist and the Audit Roster must be completed for each scheduled work day.

For subsequent cleanup days, continue to inform the Volunteer Coordinator before the desired date to check for scheduling conflicts, to arrange to pick up more trash bags or gloves (if needed), and to ensure prompt drop off of all litter collected. Volunteers should provide the Volunteer Coordinator with at least one week's notice of their intent to perform pickups to allow City staff time to coordinate resources.

Safety vests and unused trash bags must be returned to the Volunteer Coordinator within 7 business days following the completion of volunteer work.

RECYCLING

LitterRANGERS volunteers are encouraged to recycle materials whenever possible by placing recyclable materials in a bag labeled "Recycle." If desired, volunteers may take recyclables to an appropriate recycling center and keep any proceeds derived. If not, the City will recycle the bagged materials.

VALIDATION OF COMMUNITY SERVICE HOURS

The Volunteer Coordinator will monitor and record all forms for the **LitterRANGERS** volunteer. These documents will be used to validate the number of community service hours earned.

PHOTOS

Court appointed volunteers must submit photos taken during litter pickup activities. All other volunteers are encouraged to submit photos. The photos will be used to document the volunteer's efforts in the **LitterRANGERS** program. Each participant has the option to agree to Photo Release terms on the Volunteer Waiver Indemnification Form in order to promote the **LitterRANGERS** program. Photos can be placed on a disk and submitted with your paperwork or can be e-mailed to the Volunteer Coordinator at bchafin@burlesontx.com.

ACCIDENTS AND EMERGENCIES

LitterRANGERS volunteers are individually responsible for any/all injuries resulting from these activities. For record-keeping purposes, volunteers must report all accidents and injuries within 24 hours to the City and, if needed, Police Department. Please contact the Coordinator for additional information.

Note: In case of an accident or injury, call 911.

SAFETY GUIDELINES

Volunteers are required to review the safety recommendations listed below **prior** to participating in a pickup event.

Each **LitterRANGERS** volunteer must complete and sign a Volunteer Waiver and Indemnification form. Court appointed volunteers should have signed a Volunteer Waiver and Indemnification form with the Municipal Court. That form meets this requirement for their participation in **LitterRANGERS**. All other **LitterRANGERS** volunteers, including parents and/or guardians, must also complete a Volunteer Waiver and Indemnification form prior to participating in cleanup activities (see page 19). If a volunteer is age 18 or under, a parent or guardian also must sign the Volunteer Waiver and Indemnification form.

Following are the safety recommendations:

- Wear provided safety vests at all times.
- Wear sunscreen, sunglasses and a hat for protection from the sun.
- Wear leather work gloves and/or latex gloves at all times.
- Wear boots or closed-toe shoes.
- Work on only one side of the street at a time.
- Keep participants together for better visibility to motorists.
- Designate one person to watch traffic.
- Do not work in the street, and never walk on the street.
- Do not pick up litter that is in the street.
- Drink plenty of water.

- Stay within designated cleanup boundaries.
- Do not trespass on private property.
- Supervise children at all times.
- Lift objects with your legs, not with your back.
- Tie trash bags tightly.
- Avoid construction areas.
- Leave pets at home.
- Obey all traffic rules and regulations. Always cross the street at corners. Ensure that motorists see you and are stopping before you enter the street.
- Beware of bees, poison ivy, poison oak and other irritants. Wear insect repellent.
- Do not apply any pesticides or herbicides.
- Wash your hands thoroughly when done with the cleanup.
- Carry a cellular telephone with emergency contact numbers.

Under no circumstances should you pick up any of the below items:

- Hypodermic needles, syringes, medical waste or condoms
- Chemical containers
- Dead animals
- Sharp items (broken glass, nails, etc.)

Note: The Volunteer should notify the appropriate authorities if these items are found.

WILDLIFE ENCOUNTERS

When you're participating in a pickup event you may encounter different types of wildlife, especially in the long grasses alongside some streets or drainage ditches. While viewing wildlife can be exciting, please use caution. A few tips are included for your information.

RATTLESNAKES

This is a poisonous snake found in grassland areas, most often seen sunning themselves on rocky outcrops. They mainly prey on rodents but also feed on bird eggs and lizards. These snakes will rattle their tails as a warning if you approach too close and may bite as a last resort. Poisonous snakes can be observed from a safe distance, as they are generally not aggressive toward people unless they are startled, cornered or stepped on.

What to do if you encounter a rattlesnake:

- Most importantly, remain calm and still at first
- Give the snake a lot of room and walk around it or back away
- Do not handle, move or harass the snake

FACTS ABOUT POISON IVY

What is poison ivy?

Poison ivy is a 3-leaved plant found throughout the United States. All parts of the plant (leaves, vines and roots) contain an oil called urushiol that causes an allergic reaction like a rash. The plant can grow as a bush or climb up trees and across the ground. The risk is present year-round.

How do I get a poison ivy rash?

- From touching it, or touching something that has touched it.
- Inhaling smoke from firewood burning with poison ivy on it.

What is it like to get it?

At first, the allergic reaction will be a slight itchy spot, which gets worse. Severe reactions can cause giant red sores. Rashes can last from one to three weeks but can be treated with prescription remedies.

Can the allergic reaction be prevented?

- Wear long pants and long-sleeves to prevent direct skin contact.
- Rinse the affected area with a lot of cold water within one hour.
- Wash the affected area and clothes with alcohol within six hours.

CONDUCTING A CLEANUP

LitterRANGERS volunteers must:

1. Call the Volunteer Coordinator at 817-426-9842 at least one week prior to the proposed date.
2. Make sure you have all necessary supplies including safety vests, trash bags, gloves and tools.
3. Stock and bring a first-aid kit.
4. Complete an Inspection Checklist at the beginning of the work day.
5. Before cleanup begins:
 - a. Have all participants sign the Audit Roster.
 - b. Review safety guidelines.

- c. Determine if there are any dangerous areas and stay away from those areas.
6. After cleanup is finished, complete the Inspection Checklist.
7. Within 2 business days following litter pickup, bring the litter collected to the Volunteer Coordinator for inspection and disposal. The Volunteer Coordinator will inspect the bagged litter to verify that it is litter and not household trash. For every bag of litter collected, the volunteer will earn 1 hour of community service work. The City's Public Works Department will dispose of filled bags.
8. Submit Inspection Checklist and Audit Roster.
9. Bring all recyclable materials to an appropriate recycling center.
10. Return safety vests and unused trash bags to the Volunteer Coordinator within 7 business days following the completion of volunteer work.

STATEMENT OF COMMITMENT

I have read and agree to abide by the policies, regulations and safety recommendations as put forth by the City of Burleson in regard to the **LitterRANGERS** program. I understand that this is an application for the **LitterRANGERS** program and that a City of Burleson representative will contact me to finalize an agreement. In addition, I understand that a City of Burleson representative will make the final determination as to whether I can participate and make the final assignment.

Litter**RANGERS** Litter Cleanup Volunteer Program

STATEMENT OF COMMITMENT

LitterRANGERS is a cooperative effort between the City of Burleson and volunteers that wish to contribute to the appearance of their community. Both parties, therefore, commit to each other to perform certain activities for maintaining roadsides, drainage ditches, and other public lands free of litter. It is understood that at no time is the safety of any volunteer to be compromised in the performance of any activity associated with this program.

THE VOLUNTEER _____ AGREES TO:

The Volunteer and Parent or Guardian (for volunteers age 18 or under), both jointly and independently, acknowledges the hazardous nature of the work and agrees to the following terms and conditions:

- Volunteer agrees to obey and abide by all laws and regulations relating to safety and any special terms and conditions that may be required by the City for a particular street or drainage ditch segment.
- The volunteer will obtain trash bags, gloves and safety vests from the City during regular business hours. The volunteer will be responsible for all other supplies and materials.
- Volunteers age 18 or under must have responsible adult supervision by a parent or guardian while participating in any **LitterRANGERS** activity. The parent or guardian must be present at the cleanup site and in the presence of the volunteer during all pickup activity.
- Safety vests and unused trash bags furnished by the City shall be returned to the City within 7 business days following the completion of volunteer work.
- The volunteer will abide by all policies set forth in the **LitterRANGERS** program.
- The method, manner and appearance of the participants will not in any way distract, disrupt or adversely affect traffic.
- The volunteer will complete the necessary safety training and sign and submit necessary forms to the City **prior** to beginning any activities.

- The volunteer will review safety precautions before conducting a cleanup.
- The volunteer will assure that the appropriate tools and equipment are used during cleanups.
- The volunteer shall submit a work plan and/or diagram when requested by the City.
- The volunteer shall be responsible for maintaining a first-aid kit and ensuring that all safety standards are followed.
- The volunteer shall release, relieve, hold harmless and indemnify the City of Burleson and the Environmental Services Division, its agents, servants and employees for any and all actions, claims, injuries or lawsuits arising out of or in any way connected to the activities connected with the **LitterRANGERS** program.
- The volunteer shall report to the Environmental Services Division any injury incurred by any participant during cleanup activities and any hazard encountered at the site.

THE CITY OF BURLESON ENVIRONMENTAL SERVICES DIVISION AGREES TO:

- Communicate with the Volunteer via a City liaison regarding the performance of their duties.
- Coordinate the review of safety guidelines.
- Supply trash bags, gloves and safety vests.
- Meet with the volunteer following litter pickup activities to inspect the litter collected and dispose of it properly, including recyclable materials.
- Provide maps of the areas to be cleaned to the volunteer, if requested.

I have read and understood this statement of commitment for the **LitterRANGERS** program, and I agree to the terms of participation.
